

Refuge Covid Phase Plan

CHRIST LUTHERAN YOUTH MINISTRY

COVID PHASE PLAN

PHASE 1

ONLINE

Groups will utilize online resources like zoom, Youtube, Facebook and Instagram to engage different age groups and their parents online.

PHASE 2

OUTSIDE WITH RESTRICTIONS

Groups will meet outside on campus. Physical distance and masks are required. There may be online components as well.

PHASE 3

INSIDE WITH RESTRICTIONS

Groups will have the option to meet inside or outside. Physical distance and masks will continue to be required.

PHASE 4

FULLY OPEN

Groups will meet on campus with out restrictions.

Phase 1: If we need to go back to completely online, we will use zoom. This is also our bad weather plan for Phase 2. We will meet 5pm to 6:30pm. Brandon will send the link ahead of time to parent's email and to youth we have emails for.

Phase 2: This Phase is what we will open the 2020-2021 year at. We will meet (tentatively) outside on the upper terrace (by the gym) from 5pm to 6:30pm unless weather does not permit. When in the class setting, youth will sit 6 feet apart (physically distant) and wear a mask. When we are playing games, youth will continue to wear masks and keep their physical distance. Youth will be provided hand sanitizer use as they arrive and before and after games. All participants must have a medical release form filled out to participate.

Phase 3: We will meet in the youth center from 5pm to 6:30pm, six feet apart and wearing masks. The rest is the same as Phase 2.

Phase 4. We will meet in the Youth Center and open up the game room. We will also reevaluate the time of Refuge (likely starting later) and go for two hours.

These Phases are meant to help families and each ministry plan for the year. Changing from one phase to another will be directly connected to State, County and Local restrictions, mandates and suggestions. Each ministry group will communicate when it will move from one Phase to the next. New restrictions and mandates may cause us to modify a given Phase.
